**"1/8 BRICK"
Power Modules**

- * "iC" Control & Measurement Facility
- * Electronic Circuit Breaker up to 50VDC-40A
- * DCDC Converter, 9-50 VDC Input and 3.3-48 VDC/0-6A Output

The manufacturer of this product ELSIS Co. Inc. established in 1971 is an "ISO-9001" certified company since 1999.

Cutting Edge Technology Moduler Power Supply
Above 95% Efficiency
2,5 kW Power Packed-In...
Ultra Compact Size

"1U" Height

W 130 mm
D 280 mm

Can be modularly designed into single or three phase units, for various output voltages. Made to comply with stringent Military Standards for choke, vibration, temperature, EMI/RFI and electrical transients.

The manufacturer of this product ELSIS Co. Inc. established in 1971 is an "ISO-9001" certified company since 1999.

DC/AC INVERTER
Ultra Compact, Pure Sine-Wave

"50-100VA" 18-36Vdc INPUT
"26-120Vac / 47-500Hz" OUTPUT

H 58 mm
W 67.5 mm
D 87.5 mm

Especially suitable to supply gyros of military and avionics. Made to comply with stringent Military Specifications for Choke, Vibration, Temperature, EMI/RFI and Electrical Transients.

The manufacturer of this product ELSIS Co. Inc. established in 1971 is an "ISO-9001" certified company since 1999.
